Parking

Unfortunately we don't have private parking facilities at Central Hall. There is limited paid (free before 8:30am and after 6:30pm) metered parking available on Lochrin Place, Glenglye Terrace, Gilmore Place and around the meadows (south of the venue).

After 6:30pm there are three suggested locations where free parking is allowed on the public roadway marked with a single yellow line, both 5 mins walk from the building; 1) alongside the Meadows, on Melville Drive; 2) On Ponton Street behind Central Hall; 3) West Tollcross (*NB: there is a night club opposite Central Hall on this road which could be a risk for your car*)

You will find car parks at Princes Exchange in Riego Street, Semple Street and also at Fountainpark. Parking in these locations typically costs £2.00 for the first two hours and £5.00 for anything over two hours.

CENTRAL HALL | Disabled Access

If you have difficulties with mobility you are very welcome to Central Hall.

There is a side entrance on [Dunbar St](#) where there is a lift. Please ring the bell for assistance should there not be a member of the venue team already present.

The Central Hall venue team in conjunction with the event organiser will ensure you are made aware of the necessary facilities and evacuation procedures in the event of a fire upon your arrival. If you would like to choose your preferred escape plan prior to coming to the venue you can see our options by requesting via info@centralvenues.org.

For specific event information concerning registration, room location or other special requirements please consult the event organiser directly.
